

**British APCO 2012 Development Session Programme – Monday 16<sup>th</sup> April 2012**

<b>TIME</b>	<b>SESSION</b>	<b>SPEAKER</b>
09:30	<b>Registration &amp; Exhibition Viewing</b>	
11:00	<b>Welcome to BAPCO 2011 Chair's Opening Remarks</b>	Alan House <i>President, British APCO</i>
11:05	<b>Session 1</b>  <b>Opening Address &amp; Welcome</b>	Nick Herbert <i>Minister of State for Policing and Criminal Justice (to be confirmed)</i>
11:30	<b>Session 2</b>  <b>Next generation command and control – providing unlimited information in the field to support your operations</b> <i>A discussion on the impact of new technologies and services will have for mission critical operational users.</i>  This presentation will look at how new developments in data networks and the existing strengths of current public safety communication services can bring real benefits and advantages to users and communities.	Peter Goulding <i>Public Safety Specialist Motorola Solutions</i>
12:30	<b>Q &amp; A</b>	
12:45	<b>Lunch and Exhibition Viewing</b>	
14:00	<b>Chair's Introduction</b>	
14:05	<b>Session 3</b>  <b>The Path from LMR to Broadband Wireless Communications</b> This presentation will focus on the challenge(s) of solving one of America's most pressing problems in one of the most targeted cities in the world, Washington, DC. Including the nation's first wireless public safety 700 MHz broadband network, the transition from LMR to Broadband wireless communications and what can be done to prepare for the next generation communication platform.	Robert Le Grande <i>President &amp; CEO, The Digital Decision, LLC</i>
14:45	<b>Q &amp; A</b>	
15:00	<b>Session 4</b>  <b>A view on Public Safety Future Technology evolution</b> During the presentation, we will introduce LTE as the potential future Public Safety Technology, the benefits it could bring, but also the dependencies on it becoming a technology suitable for various Public Safety needs. We will then consider the roadmap to transition to LTE, considering both voice and data needs. Finally, we will discuss the evolution of control room services and information management both in a fixed and mobile environment.	Euros Evans <i>CTO, Airwave</i> & Jeppe Jensen <i>TCCA chair</i>
15:45	<b>Q &amp; A &amp; Chair's Closing Remarks</b>	
16:00	<b>Close of Day One</b>	
19:00	<b>BAPCO 2012 GALA DINNER</b>	

**British APCO 2012 Development Session Programme – Tuesday 17<sup>th</sup> April 2012**

<b>TIME</b>	<b>SESSION</b>	<b>SPEAKER</b>
09:00	<b>Registration</b>	
09:40	<b>Welcome to BAPCO 2012 Chair's Opening Remarks</b>	
09:45	<b>Session 5</b>  <b>Beyond our wildest dreams ? Just where is ICT leading us...</b> The world of IT & Communications continues to promise ever more changes in the way that we interact socially and professionally. Taking a look at the telecoms predictions for 2012 Analysys Mason will reflect on what this means for the public safety community; unravel the complexities around the Public Protection & Disaster Relief spectrum conundrum, a vital piece in the mobile communications jigsaw; and, finally, probe whether ICT is more of a help than a hindrance in bridging the funding gap at a time when Europe, and not just the UK, has the pressure ratcheted up on reducing public sector spending.	Duncan Swan <i>Senior Partner Analysys Mason</i>  Nils Lofmark <i>Senior Partner Analysys Mason</i>  Janette Stewart <i>Senior Partner Analysys Mason</i>
10:30	<b>Q &amp; A</b>	
10:45	<b>Break &amp; Exhibition Viewing</b>	
11:15	<b>Session 6</b>  <b>How to save money through the installation of modern ITS resources</b>	<i>Director of IT Tesco</i>
12:15	<b>Session 7</b>  <b>Private PS LTE and Public Carrier LTE networks working together like never before</b> This presentation will focus on a new trend in PS Communications: Public and private networks working together to provide seamless, redundant and highly reliable PS communications while minimising the impact to public communications.	<i>Robert Le Grande President &amp; CEO, The Digital Decision, LLC</i>
13:00	<b>Q &amp; A</b>	
13:15	<b>Lunch &amp; Exhibition Viewing</b>	
14:00	<b>Chair's Introduction</b>	
14:05	<b>Session 8</b>  <b>Responding to major incidents, maintaining control and the influence that social media may have on outcome</b> During the summer of 2011, the emergency services faced a sequence of events including major disorder and shootings which had a significant impact upon control of resources, working practices, liaison with other agencies and the new potential threat concerning social media - a wide ranging debate closes the development sessions for 2012.	Peter Fahy <i>Chief Constable, Greater Manchester Police</i>  Commissioner Ron Dobson CBE <i>London FRS</i>  Lynne Owens <i>Asst Commissioner, Metropolitan Police</i>  James Bartlett <i>The Guardian</i>  Bob Williams <i>North West Ambulance Service</i>
15.45	<b>Q &amp; A &amp; Chair's Closing Remarks</b>	
16.00	<b>Close of BAPCO 2012</b>
